## **THE STRENGTH OF EXPERIENCE**

**ONLY ONE WEEK UNTIL ELECTION DAY!**

We are in the final countdown! The outpouring of support and the response as we knock on doors has been tremendous! Voters definitely want to send someone to Lansing who puts **PEOPLE** before **POLITICS!**

The State of Michigan, our communities, schools and businesses are in the midst of an unparalleled fiscal crisis. We need proven and experienced leadership that is dedicated to putting the needs of our people and communities first.

I am proud to say that our grassroots campaign is buiding momentum each day. While many candidates do not bother to respond to questionnaires or to share their perspective with voters, this is a disservice to voters. Elections are NOT popularity contests. That is why I have responded to survey's AND posted many of my responses on the website. To see them, just click on: **[www.EricColeman.org/issues](http://www.EricColeman.org/issues)** and go to the LINKS section in the right column.

With your help, we will move our community forward! As State Repesentative, I will bring to Lansing a proven track record of success, experience in balancing multi-year budgets and the skill of building bridges and forging solutions.

As a grassroots campaign, our greatest resource is dedicated and hard-working people like YOU! Our campaign is not being funded by the big money folks in DC and Lansing. Our success is because voters realize that it is time to stop electing people because of "who they know"; and to start making sound decisions based on the substance, experience and the proven leadership abilities of the candidate.

So, if you believe as I do, that it's time for a change...and the time is NOW -- then I

enthusiastically invite you to be a part of our **TEAM!** You are truly our greatest resource, and no contribution of your time or dollars is too small! Whatever you can do is greatly appreciated.

And please don't forget to tell your friends and neighbors to

**VOTE DEMOCRATIC** for

**ERIC COLEMAN**

for State Representative

on **Tuesday, August 3, 2010!**

On to victory!

*Eric*
